OUR STORY

In 2023, founder, Allyssa Graves, became a part of a recovery community on the Westside of Columbus. Seeing the devastating affects of addiction on the people in our neighborhoods is overwhelming, but there's something we can do about it. Maintaining relationships and creating connection contributes to long-term sobriety. For many, alcoholism and addiction have severed connections, brought pain and hardship, and affected every area of their life.

Many non-profits, businesses, communities host events throughout the year, and while they support individuals in recovery or know of people in their organizations who are in recovery, they still feel the need to have alcohol at events. For so long, we haven't been able to imagine weddings, fundraisers, or happy hours, without alcohol. But now we can! We have the opportunity to create spaces where everyone can fully participate without the stigma of *not* drinking. We believe that there should be fun, delicious drinks for everyone who attends your event. Let's create events and opportunities for connection FOR ALL.

OUR COMMITMENT

FOR ALL is committed to providing quality service and the right atmosphere for your special event. Thoughtfully crafted specialty mixed drinks, exceptional customer service and communication, and attention to detail provide just the right mix for you and your guests. Providing non-alcoholic beverages including mixed drinks, soft drinks, hot drinks, and water allows you to serve all of your guests without exclusion. And we're here for it!

WHAT WE DO

FOR ALL provides delicious non-alcoholic mixed drinks and other beverages for all occasions: galas, fundraisers, wedding receptions, happy hours, corporate events, social functions, and more. Our team of experienced event professionals, including event coordinators, mixologists, and bartenders, provide **the service you deserve, the connection your guests desire, and the fun, delicious drinks everyone craves.**

Our mission is more than drinks, it is people. Along with providing you and your guests the best experience, we are here to support the numerous individuals in our community affected by the misuse of alcohol and drugs. Our bartenders are all in recovery and all of our proceeds go to support recovery programming in Central Ohio. Together, we can be good neighbors, friends, employers, and community members FOR ALL.
